“ I knew Jim since the days when he worked for Pittsfield News. He was a warm and gentle guy a little high strung like most of us but a great guy. He worked hard. I had many conversation with Jim. He had many talents and qualities funny and smart. Jim was so good to GE employees and worked eagerly to give them an affordable lunch daily. I could go on and on about him as I remember him. He was just a good person. Jim may you Rest In Peace. Marty
