

## Mr. Jamie L. Beverly

September 1, 1979 - April 24, 2021

The family of Jamie Beverly regrettably shares the news that Jamie passed away suddenly on Saturday, April 24, 2021.

Jamie was employed by Kid Zone and had worked there for several years. I do not think you would ever meet someone who had something negative to say about Jamie. He was loved by many and will be sorely missed. You couldn't go anywhere without somebody saying hello to Jamie. He always had a smile on his face and a minute to chat.

Jamie leaves behind his mother, Marcia Beverly, sister, Jennifer Beverly, half-brother, Jerry Beverly, and well as two half-sisters, Jennifer LaChance and Nicole Martin. He leaves his dear son, Logan Kliner and his mother, Kristi Kliner, and is also survived by 4 nieces and nephews and several aunts, uncles, and cousins, all of whom will miss him every day.

### Funeral Notice:

Funeral services for Jamie Beverly will be Saturday, May 1, 2021, at 12 noon at the Unity Terrace at Dwyer-Wellington Funeral Home, 220 East Street, Pittsfield MA 01201. There will be an hour of visitation at the funeral home prior to the service from 11 a.m. until 12 noon. In lieu of flowers, donations can be made directly to the Dwyer-Wellington Funeral Home in order to help offset funeral expenses for the family.

“*Marcia and family I am so deeply sorry when I learned of Jamie's passing. He had such a big, caring heart and was always looking to help. I used to enjoy having him outside with me shoveling during the huge snowstorms that we got at Lake Onota Village. I was miserable dealing with it, but Jamie always ended up joking around and bringing a smile to my face and by the end of the ordeal I was laughing about the piles of snow. I also enjoyed playing with Bella when Jamie would bring her out on the front lawn. That dog really loved him to pieces! My deepest condolences go out to you and your family during this difficult time along with hugs and prayers.*

“*Jamie we only had a year and a half of memories, but they were all truly amazing! You had such a big heart and always made those around you smile like it was contagious. I am so grateful for the time we shared and will never forget. I will miss seeing your face first thing every day when I would walk into work. Seeing you and talking to you all day long was my go to. Thank you for loving us unconditionally and always being here for us. Garrett will always have the memories through me and the pictures of you guys together, He will also remember the sand box you made him and of course the Nike shoes that he had to have just because you said so lol. Jamie I am so sad that you had to leave so soon, but I am glad that you are no longer suffering. I love you and miss you so deeply and Now may you rest in peace. Please keep watch from up there and know the world is not the same without you, you have left such a hole in the lives of so many.*

*I wish to send my deepest condolences to Logan, and the rest of your family! Marcia you truly had an amazing son and we talked about you all the time. I am sorry we never had the chance to meet but wanted you to know how much Jamie loved you and how sorry I am.*

“ You are going to be so missed, Jamie. Every time I’m scrolling FB and your picture pops up, Miguel gets so excited. “Mama, look, it’s Mr Jamie!” I’m devastated because my son loved you, and I have no idea how to tell him that you’re gone. And I know when we visit KidZone, you’re gonna be one of the first people he’s gonna look for. To Jamie’s family: I am so deeply sorry for your loss. This one truly stings. Jamie was such a hard working and kind man, who has impacted the lives of so many in such a positive way. He is going to be deeply missed. My thoughts and prayers are with all of you through this difficult time.

“ Jamie, where does one begin when you have so many memories? You brought such a ray of light and so much laughter to KidZone. You always had a smile on your face and were so eager to learn the business. They say everyone is replaceable but you are not. You are an amazing friend and I will cherish the memories we have. The chicken suit and Adrian's Diner to name a few. I love you <3
