“ Steve, Dann and Marcia, I am sad to read of your mom's passing. She was a sweet and generous woman. I remember her calling shortly after Bill's stroke to offer to help in any way she could. I remember her saying that she couldn't imagine what she could do and she didn't think she could do much, but I should let her know if I could think of something..

“ I have many fond memories of Jane at the Post Office. I remember opening the combination on PO Box 45 as a child Jane would hand packages over the counter. I also recall many good times with Pete and Jane at Grange and local fairs.
