“ I was so deeply saddened to learn that Jarred passed away. Hearing the news truly broke my heart. Even though we lost touch after I left Ivy Street School, the memories I have of him have always stayed with me.

Jarred was one of those rare people who carried light wherever he went. He was so kind, so genuine, and he always had that warm smile that could instantly make your day better. No matter what was going on, he had this optimistic soul and an energy that made you feel safe and happy just being around him. And his laugh — I can still hear it. It was the kind of laugh that made everyone else laugh too.

One of my favorite memories of Jarred will always be watching him play Nirvana on bass with Tim. Seeing him so in his element, focused but still smiling, is something I'll never forget. Music seemed to bring out something special in him, and it was such a joy to witness. Moments like that are etched in my heart.

Even though the years passed and life took us in different directions, I thought of him many times. He was the type of person who leaves an imprint on your heart that never fades. Some people come into your life for a short time but make a lifelong impact — Jarred was one of those people.

I will always remember his kindness, his laugh, and the way he made the world feel a little brighter. He will forever hold a special place in my heart. 🧡

“ Jared was my best friend growing up in Wilbraham. He was the most talented artist in our grade, one of the funniest, sarcastic people I knew and a loyal friend. A lot of kids blend in during middle school, etc. Jared always stood out.

My deepest condolences to Richard, Gretchen and Jared's family for your loss. My thoughts are with you.

“ *Food
By: Jared
I'd like to have a special power
Depending on sweet or sour.
Had a handful of Warheads that were sour
Cause me to pucker up and feel dour
All boys love sugar and sweet
Cause me to pucker up from the heat
I really don't know why people compete
For the heat Just give me candy or a donut... anything to eat*
