“ Sorry to hear of Jean's passing. When I was 5 years old back in '71 my father worked with Neil. Jean often babysat for me after school. I remember PB & J also. I also remember being at their house quite often and I enjoyed all the kids. I often played out in the neighborhood also. It was fun to be there. I have thought of your family often throughout the years, as has my mother. Again, please accept my condolences.

“ Tammy,
We are so sorry for your loss. I remember meeting your Mom on a trip she made here to Arkansas. Our visit was short, but I could tell she was a special lady. I wish we weren't so far away so we could be there with you. Just know that you are in our hearts and in our prayers as you and your family go through the services tonight and tomorrow.
We Love You,

“ Hey guys, I am so sorry about the passing of your mom. The Andrews and the Colvin families were the heart and soul of Hungerford St. All of the neighborhood kids would at one of our houses and your mother, Jean and our mother, Evelyn were like the babysitters for all of the Hungerford St. crew. Peanutbutter and Jelly sandwiches was what we all had at lunchtime no matter whose house it was. We were one big happy family back then and our mothers love us all. Wish we could bring back those days, but I relive them in my mind all of the time. I am sending thoughts and prayers in hopes that they may bring some comfort to you all. Jean is Walking with the Spirit in the Sunshine. Rest in Peace Jean, Rest in Peace.
