“ I am sending thoughts and prayers to all of Jean's family and friends in hopes that they bring some comfort during this difficult time. Jean was a one of a kind woman, caring, loving and one heck of a funny lady. My pet name for Jean was "potty mouth" and when I came back to Pittsfield in December for a visit I got to see Jean at our favorite Monday night haunt in Dalton. I walked up behind her and said "hey potty mouth how in the heck are you?" Without even turning her head she said "I know that voice"! We shared a bit and had some laughs. Little did I know that this would be the last time I would see my dear friend. I am so grateful for all of the times we spent in my car, going to meetings, and laughing together. I love you Jean, you have finally achieved perfection. Rest in Peace my Potty mouthed friend.
