“ I remember being in Elementary School with Jeanne. We lived one street apart and I remember her being the first girl to get denim blue jeans. We used to go to the field down the street and catch butterflies for her collection. The very first sleepover I ever went to was at her home. My first kitten was from a litter at her house. I'll never forget her beautiful hair, her grace or what a wonderful friend she was to me. Rest in Peace Jeanne. Love Always. Jane Loynes Dale
