“ So very sorry for the loss of Jenn. Jen showed up at our father's funeral in August it was so very kind of her to come and show support. She remembered playing with all of us on Hamlin Street and coming to our house as my youngest sister and her were very good friends in their younger years. Gone far too soon. God bless your soul Jen❤️

“ *The news of your passing saddens my heart. I know we lost touch over the years, but some of my fondest memories include you and I dancing many nights away. You were my ride or die when I was in my young twenties and I will always cherish those memories. My prayers are with your family for peace, comfort, and healing. May you rest easy and God speed. Until we meet again.*
