I am so very sorry. My deepest condolences to your family at this time please know we are praying with you and for you. I've know Jeric for years but my fondest memories will be in class at Mildred Elley when he talked about Krystal and his kids he just lit up. He would always have a smile and be walking with his headphones on. He was big on family. Please remember he loved you all dearly he loved hard and he will be greatly missed.
