“ Dear Jim, JC, and Thomas, I was so heartbroken to hear of Jodi's passing. I have lost touch with many people since Nancy Weber's passing and the beauty shop no longer being what it once was. I did Jodi's hair on many occasions when Nancy could not. Jodi was one of the most loving and warm people I have ever known. She always had a story to tell about the boys and and you could always hear the love and adoration she had for her family in those stories. May you be comforted by knowing she touched many lives and she always shared how much she loved you all so dearly.

Sincerely,
Christine Garrity

“ *There are a handful of people who have had such an impact on my life that they changed the way I see the world. Jodi was one of those people. She was always there to celebrate the good times, and give a hand up in the tough spots. She was smart and funny and easy to talk to. Jodi, and Jim and the boys, always treated me and my kids like family. I miss her, but know that a part of her will always be with us.*

“ I am truly saddened by the passing of Jodi. We went to elementary school together & shared the same birthday, both of our fathers were police officers, we would go to each others homes and I remember her & I riding our bikes up to the Pittsfield Airport to see her uncle who was a pilot & took us on a small ride. May your family find peace in all the beautiful memories that your friends, past & present, will tell.

“ Jodi, You were my best friend, & the love of my lifetime. Every day started with you saying “Gimme a kiss, baby!” You were the most beautiful & amazing person I’ve ever known! Together, we were the Rock of Gibraltar. You were the most loving Mother that any children have ever had. Our entire family will forever remember your beautiful laugh & generosity. You will always be with us. I’m grateful for every moment God lent you to us, and will try my best to make you proud going forward. Sweet Dreams, my Love.,-Jim-

“ Jodi is one of the most remarkable ladies I have ever had the privilege of knowing. I am her Southern cousin. My heart is broken. I love her so much. We used to tell the funnest stories and would laugh until we practically peed ourselves. To my Northern family I love you all and my thoughts and prayers are with you as you begin life without the physical Jodi around to give you hell and love on the next. We all know she is in delight with bein with Jay, Edmund and Regina. Jim I am especially lifting you up tonight and in the days to come. With all my love - cousin Donna
