“ My thoughts and prayers are with the entire family. Living next door to the Barry's in Great Barrington meant that we were included in the ice cream rides in "Uncle" John's convertible. We could feel how much he liked kids back then and it carried through his life. Mary Kay Clark

“ The entire Quinlan family; Martha, Therese, Connie, David, and of course John, and their parents provide me with some of my fondest memories of my childhood.

Without a doubt, the Quinlans had the highest respect from all the neighbors in our part of the city....we all learned much from them. Although John and I were born the same year, I always felt that he was years ahead of me in every way.....I will miss him.

“ *Mr. Quinlan was an amazing man with a great sense of humor. I always enjoyed going over to the house where he would always wave through the window and if I stepped into the house he always made me feel welcome. Mr. Quinlan and his outgoing personality will be greatly missed.*
