“ I had the pleasure to have Joe as a rider on my bus route for the last 2 years or so. We got to know each other once we got talking about family and that both of our mothers were Realtors. Always looked forward to see if he was waiting at the end of Eleanor Rd. Most of the stories kept us laughing and usually ended with me asking him what he was going to cook for dinner for the two of them. Never could quite convince him to buy an Air Fryer!! Really nice guy and he will be missed.....Keith Palmer
