“ So saddened to hear of Judy’s passing. Being the youngest of the clan, and Judy the oldest, I always looked up to her and thought she was sooo cool! :) A horse named Goldie, a house on Onota Lake and her long blonde hair as she would water ski. :) I’m sure she’s shooting the shit with my parents Jack & Eileen about the good ole days.

“ I just heard the news and can't believe it. Although we haven't seen each other in years, I have thought of you often and the wonderful memories of getting our horses on your birthday. The many hours of riding we did together and the crazy things we did. You were the first friend I made when we moved to Lakeway Drive. I wish we could have seen each other one more time. You will always hold a special place in my heart. Sending my love to Sally and Chrissy.

“ So sad to hear of Judy's death. I remember Judy for her love of everything animals. She loved Goldie, a great horse! And all the dogs and kitties that lived in the house on the lake. I remember her wedding and Christies birth. Judy was the first born of the Carrigan second generation. Rest in peace Judy, sending love to her family, take care... Laurie & Kevin Carrigan Connor
