“ *I just went on the Internet to try and get back in touch with a long past dear friend of mine, Kathy. She was my best friend and coworker when her and Mark lived in Scottsdale. I am so very saddened by the loss of her and so is my father, who had the pleasure of meeting such a special person. We extend our deepest condolences and sympathies to all of her family and friends who were so blessed to have her in your lives.*

*May the road rise to meet you. May the wind be always at your back. May the sun shine warm upon your face, the rain fall softly upon your fields, and until we meet again, may God hold you in the palm of his hand.*

*You are dearly loved and greatly missed by all you have touched.*
