“ I walked by where Kelly lived almost daily. I'd see her out with her dog. We'd chat and catch up a few minutes before going on our way. I'll miss seeing her and the niceness she brought to my days.

“ Please accept my heartfelt condolences for your loss of Kelly. She always had the ability to bring a smile. Although I had only seen her a few times over the recent years. I will always remember her from the Simon's Market and Matt Riley's days. I was in the Big Y some time ago when I hear someone call out. "Hey Tinker!" There she was with that infectious smile! To the entire Lacey family, my sincere sympathies. Glenn Lawson (A.K.A to her "Tinker")
