“ I loved being Kendra's" big sister" and spending time with her. Kendra would be so proud of herself when she tried new challenges like biking many miles around the Berkshires. Hanging out at the library with me and reading was not her favorite thing but she always let me know when she finished a new book. My family loved her and she was so happy when they came to her graduation at Mildred Elley. My deepest sympathy to her family and friends. She was special.

“ *I'm so saddened to hear of Kendra's passing. I went to Hairdressing with her and that is where I first meant her. I enjoyed keeping in touch with her even after we left school. She had a vibrant personality and always spoke her mind. I'll miss talking with her. I'm so sorry Kendra 🙏🙏🙏*
