“ Kevin was my best friend, he was more of a brother I will always consider family. We've been through so much together and no matter what I could always count on Kevin. He knew me better then anyone in this world because I could be myself with him we had no secrets. Im so lost without him and can't come to terms that I will never see him hear his voice or his laughter. I won't ever here some of his outlandish outbursts or have my best friend to go to when I need him. My heart goes out to his family and his son as well as the rest of his friends that are mourning the loss of Kevin. I love you Kevin, my world is a little less bright and I know I'll never be the same without you. Til we meet again my friend may you rest in eternal peace.
