“ *I remember when I was so little idk maybe 5 or 6 and I LOVED to be
with the guys. I loved when my dad took me fishing. We were on
Nobodys Rd. And I caught that 14 inch bass.....I remember the
look in your eye that day daddy and that is EXACTLY how I will
remember you. You were majestically proud of me. Your little
tomboy daughter caught the biggest fish that day and it was also the
1st fish I ever caught all by myself. Daddy that's how I choose to
remember you. I do not have a picture of you but I'll always
remember your face that day. I miss you and I'll talk to you all
tonight at bedtime prayers. Love and Respect ALWAYS, your
daughter, Tan.*
