“ Larry was the best cousin anyone could ask for. I remember spending Saturday evenings at his home watching wrestling with his Mom, Aunt Carmela. She'd holler and make fighting gestures just like the wrestlers. It was a laugh a minute watching her and the program. Larry is a person that everyone loved and he made everyone's life better for having him as a friend or relative. A awesome father, grandfather and husband. Larry and my late brother Butch were a crazy team. Trips to Walmart, Morningside bakery for "dognuts", or as we know them to be doughnuts, and riding around in Butch's T Bucket car. Laughing all the way. Yes, they will both be missed, but maybe they are up there "laughing" as they did here. Chris and Family, my deepest, sadest thoughts are with you.
