“ Dear Beverly and Family,

My deepest sympathy for the loss of your Sister and Auntie. I tried to call you quite a while back, but your phone number was disconnected, so I thought you and Lil must have moved to another town.

I will always remember Lou, Lillian and of course you and the kids (and the Boxer pup that my Boxer wrestled to the ground, that was visiting from New Jersey).

We were next door neighbors from 1979 to 2000, I think and I always enjoyed your family.

Again, I am so sorry.

Love,

Amy Davidson

“ So sorry to read of Lillian's passing. George and Lillian were on many of the cruises I escorted over the years. We had such good times. They were always one of the first to sign up for the trips. Condolences to the family.
