“ *I'm so sorry to hear that my friend Lily has passed. If it wasn't for Lily things would have been so much more difficult dealing with my injury that I had and the rehab. I know it was a blessing that God placed her in my path. She was a wonderful and true friend and saying goodbye to her is not easy. I'm going to miss you Lily and you are in my heart forever my beautiful friend. With all my love, you will be in my thoughts and prayers forever, Leslie*
