“ To the entire Boyd family. I am sorry I was unable to make it to the service. Growing up on Cromwell Avenue. was a lot of fun. Everyone's parents were equally involved with looking out for us and each other. Your mom was an absolute sweetheart, and we have so many fond memories of her and all you kids. After all these years, everyone on that street has a deep connection and my heart hurts for you. My absolute deepest sympathy for you all. Be well and continue looking out for each other.
