

Ms. Lois Gail Hornig

July 28, 1938 - May 21, 2022

Lois Gail Hornig died May 21, 2022 at age 83. A longtime resident of Dalton, Lois had recently resided at Melbourne Place in Pittsfield, where she received excellent and compassionate care from Melbourne staff and Hospice.

Born in Pittsfield, the daughter of Marjorie Schlerath Hornig and William Hornig, Lois graduated from Pittsfield High School and the University of Connecticut. Lois went on to have a long career as a chemist for the state of Connecticut.

Following retirement, Lois moved to Dalton, where she was often seen walking through town. Lois enjoyed playing the organ, and hiking with the Berkshire Knapsackers. A perfect day for Lois would be watching her backyard birds, hiking in the woods, attending an Eagles Community Band concert, and having a dinner of scallops and strawberry shortcake.

Funeral Notice:

At Lois's request, there will be no formal services.
