“ Dear Stedman family, My thoughts travel back to 50,s and 60,s. Gosh right next door and walking over the back field to visit. Then Baby sitting the 4 of you angels when your mom and dad went out for the nite. Wow 44 years. Do know I am holding you all in prayer and will be placing the family on Peru church prayer list. May every wonderful memory of your Mom fly to heaven on angel wings. She is now with your Dad and Stacy. Love inChrist always, Coralie Steele Pelkey.
