“ Aunt Peggy was always available to help those who needed her. I remember when my Mom was bedridden with a pregnancy she came down to the farm to help with Bob and me. I was pretty young and don't remember how long she stayed but it was long enough to read "Boy captive of Old Deerfield" to us. I am sure all of her nephews and nieces have stories of Aunt Peggy lending a hand when needed.

Another time we were invited to spend a night with her at her home in Pittsfield so she could take us to see *Mary Poppins* when we got back to her place we sat around the kitchen table to see how many other words we could make from the letters in *supercalafragilisticexpealidocious*, great fun.

Love you Aunt Peggy. You too Uncle Joe.

“ I was always happy to see Peggy’s smiling face as she entered the choirloft at St Thesa. She always showed such love and concern for others. I will remember her fondly. My condolences to her family. May you find peace on the other side of your sadness. Barbara Kochapski

“ When I think of Peggy what comes to mind is that little giggle in her voice from excitement when watching Bob feed the cats. It thrilled her to see them all in a row sitting in front of their dish, patiently waiting for the food. She seemed to get such a kick out of all the animals, and we had our share for her to enjoy. Peggy was always so sweet and kind, and any little thing was so exciting to her. I loved that in her. She will be greatly missed, her joyous voice was infectious and the void of her lovely personality will be felt by all that knew her.

“ *There are no memories with Peggy that our family doesn't cherish as her soul had a way of just shining and making you smile!!! All our memories with her and Joe are beautiful and filled with Joy! From her holding and visiting with me as a child to her holding my children to us holding her as she seemed to shrink as we grow! What a magnificent blessing to have known such an incredible person! She will be dearly missed...*

Add a couple of our most recent photos.

God bless all of us who are grieving. As I believe she is still spreading Joy and so happy to see her loved ones she has been missing so... I can still hear her OHH OHH OHH echoing... <3
