“ So sorry to read of Aunt Maggie's passing. She was a wonderful woman and so proud of all her children and grandchildren. Last time I visited was beginning of Covid and we had a wonderful long talk; unfortunately once Covid hit the area she called to cancel my next visit. Talked on the phone a few times during Covid; but then seemed to lose contact. My Mom and Aunt Maggie loved to call each other on their Birthdays as to who was older and then who caught up ... Mom's Birthday was January 1st! And they both graduated together Class of 1944!

*My love and prayers go out to her entire family as you grieve her loss. May God hold you in his hands and help you through this difficult time. Treasure all the wonderful memories you have and know she'll always be with you.*

*Love, Cousin Susan*
