“ After meeting at Edward’s Food Waterhouse in Hyde Park (late 70’s/early 80’s) where we both cashiered part time while our kids were in school. We became friends and started to meet on Saturday mornings every week for breakfast .We shared many stories and laughs over a span of many years. I also treasure all of the holiday and birthday cards we exchanged over the years. I remember travelling out to Stockbridge to visit with her and Walter in their new home. I will miss you Ms Mary. We had a lot of laughs over the years. Love You💕💕 Annie
