“ *Ray, Michele, Ann and families..Our sympathy for your mother's death. Your mom was always a delight. We were especially grateful for her when we moved to Connecticut in 1994. It was comforting for us to have family here. We will always remember her hearty laugh and her wonderful cooking! It was always fun to listen to Mary and my mom telling stories about the old days, when my mom would visit us. God bless you during this difficult time.*
