“*Mary lived across the street from us in our recently bought home. She was the most welcoming neighbor we have ever come across, and she seemed to have such a big heart! We still have some plants that she gave us last summer that seem to be doing just fine. We always were able to count on her to watch over our house. We wish the family your family the best, and may her kind soul rest in peace.*

*Love Always,  
Leigha, Aaron, and the kids*

“*Mary was a wonderful compassionate person. I got to know her through mutual friend Gloria wrinn, I then learned I was friends with her sister Christine I during elementary school, I remember going to her hose and picking fossythia on our walk there I reconnected with Mary at Hillcrest commons, we both had the reputation of bowel queens' and I did not want her to leave Hillcrest' but I knew she had to. She was so proud of her boys, my deepest sympathy to all her loved ones.q*
