“Michelle, Jo Ellen and all who knew and loved Maryellen:  
I was so sad to hear about the untimely death of my dear cousin  
/friend, Maryellen  
(Thank you Michelle for letting me know....I know that was a  
difficult....but I am so grateful you did)  
Maryellen and I were best friends as little girls and had many fun  
filled days camping in Wells. Your mother bested me at just about  
everything...swimming, diving, running, and I was always trying to  
keep up...especially "rock hopping" across the river....no one could  
match her speed and balance. She was without fear.  
David and I visited her several times over the past few years and  
she was always gracious and welcoming....opening up her home to  
us and introducing us to "Autumn" her beloved cat. I am truly  
grateful we had that very special time together.  
She spent her entire life in service to others and devotion to God ...I  
know she is in a beautiful place now...with the angels and her Mom,  
Dad and sisters. I will miss my good friend and when I think of her I  
will remember that happy little girl chasing a butterfly in a long ago  
sparkling summer day along side a rock laden river in the  
Adirondack mountains.

Dear Maryellen.....Goodbye and Godspeed.

“ Michelle and Jo Ellen:

*My name is Lisa Lausier (Podavini) and I baby sat for you girls when you lived on Student Lane in Pittsfield. I also waitressed with your mom at the Highland Restaurant, with my mom Claire and sister Debbie. We had so many laughs waitressing. Recently we were remembering all of the fun we used to have in those days, so long ago.*

*You girls were so energetic and bright, I'm sure you have wonderful lives guided by your mom's beautiful spirit. Remember when she decorated the bathroom in purple tie-dye?*

*I know her spirit will continue to guide you as you go on with your lives. We were stunned and saddened to hear of her untimely passing. May God be with you,*

*Sincerely,*

*Lisa Lausier*

“ Jo-Ellen and Mickey, I am so sorry for your loss. Your mom was such a bright smiling light and always made me laugh. Mary-Ellen was like an aunt or second mother to me growing up. She was my godmother at confirmation and a wonderful, giving person. We will miss you. Be at peace. Love to your family, Leslie Reed Rench
