“ *To my beloved friend Bubba. I will always love you and i will miss you forever, i remeber when we met and we just clicked together. I will never forget what you did for me and my children, you helped me raise them since my youngest was 1 who is now 26, you moved in with me and raised them as if they were your own. Gave them rides picked them up from school when i couldn't helped with homework cleaned them scrapes and bruises to doctor appointments and school meetings and it never stopped even when they got older and moved out cause you were always there to give advice and support. We always stuck together through the ruff times. Our kids were always ur kids never step kids or step dad. They loved you as much as you loved them. I will always love you and miss you. Until we see each other again my friend. ❤️ you and keep watchibg over us.*
