“ *Mayra single handedly made my experience at Northeastern both memorable and full of laughter. Her personality is, and always will be, the most positive and beautiful of any person I will ever meet. It's been many many years since I had last spoke with Mayra but her memory will forever be in my heart. I am saddened and shocked to hear of such a tragic loss. My deepest condolences go out to her family and everyone who knew her. May her children grow up to learn what an amazing and unbelievably beautiful mother Mayra had become since we met many years ago in college. I love you girlfriend!*

“ *Silvia and Luis, I am so very sorry for your loss. Mayra will live in so many hearts forever. My fondest memory was sharing time with her when she was carrying Diego and she came to me for pregnancy massage. She and Diego both loved the warmth and the relaxation. She was enigmatic. Her beauty, inner and outer was unmatched. Her smile, genuine and infectious. It is my hope that Mayra will shine her light on all of the people who are left broken hearted here on earth a little bit every now and then. Her spirit will live on in her children and through her family.
Mayra, you will be missed by many.
Silvia, I am truly sorry.*

“ It is hard to put into words what it is to lose a friend you have known since 1st Grade. We went to Allendale, St. Marks, PHS and Northeastern every day for 13 years. Mayra always was the most honest, she was always there when you needed her, she genuinely cared for her friends, and she certainly could quiet a room with her beauty. That character is one of a kind, and many of those things are what made her such a great friend, Sometimes you wish the last time you see someone you can tell them how great they are, but sometimes things are better left unsaid. My heart goes out to the entire family, especially Silvia; who always treated me like a son.

Mayra, will be missed by many! May you rest calmly with the angels...

“ It's been a long time since we last saw each other but when I heard the news of your untimely passing your infectious smile came to mind. We had a lot of good times playing basketball. May your legacy live on through all that knew you. God bless your boys and family during this difficult time. We love you MD!

“ Mayra, we haven't seen each other in a long time, my first memories of you are from St. Marks Middle School when your dad and mom had the pizza shop, we played basketball together in Middle and High School and shared some fun times and laughs. You will be remembered forever in each person's heart that you have met or touched and your children will forever carry on your legacy. Much love.

“*Mayra had such a sparkling personality-the kind that lit up a room with her smiles and bright eyes. Her words were always warm, kind, gentle and welcoming, and her youthful exuberance put a smile on people's faces. Her love of her family shined brightly as she glowed when speaking of her children. A conversation with Silvia, Luli and Shaun always ended with an "I love you." Her light was extinguished way too soon and she will be sorely missed by all who knew and loved her.*

In my tradition (Judaism), we have a saying: "May her memory be for a blessing." It means that those that knew her need to continue to perpetuate all of her good qualities so that she lives on within us. We need to do good and charitable deeds in her name.

May Mayra's memory be for a blessing.
