“ As neighbors we watch you grow into a beautiful young adult. We remember all the times that you would walk by the house, cut through our yard and enjoy our berries growing in early summer... We wish you knew how much you would light up a room with your smile. You will be missed by all the lives you touched.

Laura, Amanda, Frankie and the entire Family, we are so very sorry for you loss.

Our thoughts and prayers are with you during this time. May Megan's memory keep you strong and help you heal.....

With love, The Filiault Family
