“ My prayers are with all of you. This was a tragic accident. I love you Mike. I can't believe you won't be there when we come home. To me your alot like your mom. Always welcome to whatever and however you could make our visits better. Last year we followed you to Wacho a falls. You had us lost first but eventually we got there. You always offered your home even though you didn't have the room for us. Your mom was the same way. I can't believe your gone. I will see you again when it's my time. Till then say hi to everyone for me. Love you so much ❤️
