“ You always had a quick retort and a way of making us laugh, especially when we didn't think we could. So many memories of your visits to the store still make me smile. Kick Gid in the tail for me when you catch him up there! We will all miss you so very much. Love you. Diane Mead

“ You were always my Sunshine, even when you weren't at your best. Your smile, your laugh and always your crazy stories. You introduced me to Jeff Dunham and quoted him often and we would laugh our heads off. The eight years I knew you have gone way too fast. We bonded instantly like we'd known each other forever. I'm so glad I had the chance to tell you how proud I was of you for turning your life around. You did it! I will miss you terribly and love you always, Sweetie. Jill Walton
