“ Jim, Terri and I were saddened to hear of Nancy's passing. It has been a while since We last saw Nancy and You. We still remember he trip we made with You to Pittsfield, We arrived with no snow on the ground, I believe it was January or February mid-eighties and everyone noted how unusual that was. Overnight twelve plus inches of snow fell and We got our first and only taste of snowmobiling. Terri became an overnight expert coming out of the woods on one runner, most of the memories are times at Your home or at the beach along with Tom and Martha. Our thoughts are with You and our condolences. Nancy was sweet and funny and the two of You were a pleasure to know. our regards to for Monica, Melissa ,Matt ,Mark, Penny and Jim.. Sincerely Skip and Terri Keith
