“ I am heartbroken to hear this past week of Khim’s passing. It didn’t take long after we moved to Lee for us to discover Pho Saigon. Khim became a fast friend, which was most welcome, since we didn’t know a soul. She was such a cheerful and kind woman. We were so sad when the restaurant closed. Our thoughts are with Henry and her whole family. <3

“ We (my husband and I) got to know Khim when she worked at Pho Saigon in Lee. She was so much fun, it was always like having dinner with entertainment. She was always cheerful and spread her cheer to all who entered the restaurant. We are so very sorry to hear of her passing, Wishing her family peace.

“ My most distinct memory of Khim was from my 21st birthday at Pho Saigon. She poked fun at me for looking like a baby and made a show of closely inspecting my ID. She was more than half of the attraction of eating there (though the food was delicious). She was an incredibly sweet woman who always made me smile and laugh. She will be greatly missed.

“ My children and I are so very sad to learn that Khim passed away. Her open friendliness always made us feel so like part of the Pho Saigon community all those years, and when we saw her before the pandemic arrived, it was delightful to catch up and to hear how the whole family was doing. She is missed.

We send our sympathy and thoughts to Henry, Hieu, Tony, and all her siblings! May her memory be a blessing.

“ My hearty is broken! Khim was a wonderful human being. I worked with her for many years at Canyon Ranch and always enjoyed her company. I missed her when she left to open Pho Siagon (but loved the food!). She was always so happy, always upbeat. Never an unkind word. The world is poorer for her loss. May her memory be a blessing.

“ I was so shocked to hear about your passing. The last time we met, you told me how relieved you were to be out of the restaurant business and how you loved your new job at BMC. I always admire how you knew every customer and addressed them by their names when they walked into Pho Saigon.
Condolences to your family and may you Rest In Peace.

Thoughts and prayers to your family with so much loss in a short time. I had worked with Kim on the telemetry unit for about a year. I still saw her around town at the gym and Aldis and we chatted about things and the importance of staying healthy and strong. Saddens me to hear of her passing. Will remember your bright smile and making people at ease no matter what Kim. Rest In Peace we will take it from here.
