I'll always remember Nick. When he was 16, my first winter here, he and Megan shoveled from their house to mine to make sure I wouldn't be snowed in. He was a son to be proud of. I will miss his ready smile. My heartfelt condolences to Laurie and Charlie.

“ May god bless the family every day be giving them strength while going through this tragedy. Nick may have left this earth but will remain in our hearts and one of my foundest memories was him saying to me "pump the breaks" at work when things got crazy. He loved life and lived it to the fullest who loved most of all his children and family. He may seem far apart but will remain in our hearts!!!!

God bless,

“ Nick touched our lives with so many fun memories that will never be forgotten. You had such an infectious smile and laugh. You always knew how to turn the mood around.... there was never a moment at Applebee's when you weren't telling Gary some kind of a joke or asking him about his job. You will be missed... we were so proud of the changes you had made in the years we have known you and proud to call you a friend. Until we meet again... RIP dear friend...
