“ Dear Theresa and all Pat’s family
I am so so sorry to read about Pat. Please accept my Deepest
Condolences and prayers to all of you. Pat was a very special Lady
and lots of fun to be around. Last time I saw Pat she was with
Barbara and we were going into Joannes fabric store. Barb parked
her car next to mine and I spotted Pat in the passenger seat getting
ready to open her door and being a little on the joking side i opened
my window and said “Don’t you dare Hit my car with your door”. It
took Pat back for a minute than I started laughing. She than realized
it was me.
Death leaves a heartache no one can heal,
Love leaves a memory no one can steal
My Sympathies to all of you.
Fondly

“ I met Pat in the mid-70's when I became a member of the Sweater League bowling group at the downtown bowling alley. Loved her sense of humor. Our paths crossed a few times over the years and she always remembered me as the lady who bowled while pregnant with twins. My sincerely condolences to her whole family, especially Barb and Theresa. May your happy memories help you through this difficult and sad time.
