

Mr. Patrick J. Carty

March 21, 1964 - January 14, 2021

Patrick J. Carty, 56, of Pittsfield, passed away on Thursday, January 14, 2021. He was born in Pittsfield on March 21, 1964, the son of the late Edward and Judith Carty. Pat graduated from Pittsfield High School in 1982 and spent most of his life in Pittsfield.

From a very young age, Pat loved all things with wheels. He spent a great deal of time as a child taking apart and putting together things to create bicycles and go carts to race around the neighborhood. He moved on to mini bikes, motorcycles and cars as he grew. As an adult, he continued to have a passion for his toys. He loved his trucks, snowmobiles, Harley Davidson motorcycles and even had a lightweight, super fast kit plane at one time. Pat made a career out of building and fixing things, working as a pipe fitter for a number of local construction companies.

Pat was a generous friend who looked out for others. He was always willing to lend a hand to friends that needed help. While he was voted "Most Nonchalant" in high school, he was really a worry wart, and would fiercely defend those whom he loved.

Pat was most proud of his son, Devin. He was a doting father and best friend who loved to share Devin's latest accomplishments.

Pat is survived by his son, Devin Carty of Greenfield, sister and brother in law Erin and Alec Porter of Marstons Mills, brother and sister in law, Dan and Maura Carty of Sudbury and brother Mike Carty of Pittsfield. He also leaves behind his nephews and niece, Jack, Sam and Maighdlin Carty and his aunts

Sharon Ann Carty and Harlene Leahy. Pat will also be remembered by countless friends.

“ Oh how I will miss you Pat! I was shocked and saddened to hear of your passing. I won't forget the motorcycle rides and laughs that we shared, you always made me smile. You were so proud of your son and you never failed to mention him. When you spoke of Devon there was so much pride in your voice. You were a wonderful friend and kind gentle soul. My most heartfelt condolences to your family.

“ Pat was the salt of the Earth. He was genuine and full of wit. He would always lend a hand when needed. He helped me over the years with some many projects, and was always picked up the phone if I had a question. He was blessed with the gift of the gab. He was full of stories and boisterous in the telling. I've lost touch with a lot of people over the years, but never Pat. He was always there, willing to help, tell a joke or share a smile. I shall miss him dearly. My condolences to Devin and family. We've all lost a great man

“ *My most sincere condolences to all of Pat's family. A passing way too soon. I hadn't seen pat in a long time but I have fond memories of various gatherings here and there over the years when we were much younger. I have always had a spot in my heart for Patrick. He was a quick wit. Patrick loved his dear friends and there are many of us. Have peace Patrick, we will all miss you. Too young, too soon...

“ To Erin, Devin, and Carry family,
I am so sorry to learn of Pat's passing. Please accept my condolences, and know that you are in my prayers.
Talk about Pat extending a hand; A couple of years ago, Pat had learned that my road job had come to an abrupt end, and even though it had been some time since we had seen one another, Pat, without hesitation, offered to allow me to stay at his place. I wasn't able to take him up on that, but, that's the kind of guy Pat has always been.
May you all take comfort in the memories of his kindness.
