“ Patsy was one of the kindest, sweetest people I ever knew. She was very considerate of my mother over many long years, and a wonderful mother in law to my brother Rick.

My sorrow goes out to Donna, Owen and Sarah.

“ Dear Donna and family,
I am so very sorry to learn of your mother's passing. A mother means so much to us and I know it's hard to say "goodbye", especially when they have been in our lives for so long.

94 years on earth is amazing. Hoping beautiful memories will help you through the coming days. Prayers for peace and comfort are being sent your way. May she RIP. Amen. 🙏 God bless.
