“ *I am so very sorry for the loss of Paul he was an awesome guy my husband worked with him at valet 2 years ago but we still went down an visited with Paul and talked with him. He had such a big heart and kind to everyone. When I was having my daughter he bought me sodas knowing I needed them as the hospital didn't have any lol. He always had a smile when we saw him. May he rest in the most beautiful peace.*

“ My sincerest condolences to Paul’s family. I knew Paul through his valet role at the MAC building. He always friendly and so kind to my late husband and I. My husband had difficulty getting in and out of the car. Paul recognized our car every time and always met us with a bariatric wheelchair and an offer to push my husband into the building. My husband enjoyed joking with him. Such a tragic loss. Rest easy Paul.

“ My Dear Paul, I first met him when he was about 4 years old and came to my house to carve pumpkins. A Darling little boy who would grow up to be a fine young man and who could give the best hugs of anyone. I love and miss you, my Dear Paul...
