“ Nancy, I am so very sorry for your loss. I remember how your Dad loved coming up to your house and him napping on the couch with the dogs. He loved you to the moon and back. Hugs dear friend.

“ To Nancy. Mark & Paul, I want to let you know that I loved your dad very much. I enjoyed spending time with Nancy on Oak Hill Rd when we were younger and listening to his stories with his wonderful sense of humor. I am sure he is being reunited with his sisters, Sis and Olive with loving arms. Rest in Peace, Uncle Paul.

“ Paul, Mark & Nancy,

My sincerest sympathy to you all on the loss of your beloved father. Although not related by blood, Paul (and your Mom) were like family-having grown up with them as neighbors the majority of my childhood. I will miss his cheerful smile, love of life, generosity of spirit and his kindness toward all.

I am sure my parents are there welcoming him on the other side!
