“ Pete and I shared many good times together through-out the 1960's and beyond. Drag racing, motorcycle riding, following the great bands of that era and so much more. Peter's sense of humor was always entertaining and he could keep his friends laughing until their side's hurt. In my last conversation with Peter before Covid made it unwise to stop by for my occasional visits, he commented on the loss of so many of our old friends. I had no way of knowing just then how soon I would loose one more.
R.I.P. you "wild and crazy guy"...
