

## Dr. Peter H. Falkoff

March 31, 1952 - October 5, 2025

Dr. Peter H. Falkoff, 73, of Pittsfield MA passed away peacefully on Sunday, October 5, 2025. He was born in Detroit, MI on March 31, 1952, and was the only child of the late Joseph and Florence (Frank) Falkoff. He graduated from Dobbs Ferry High School with the class of 1970 and later, in 1976, from Ithaca College with a degree in Physical Therapy.

Peter then continued his education at Logan Chiropractic College in St. Louis, MO and became a Doctor of Chiropractic in 1982. He practiced Chiropractic for the next 30 years and had an office first in Wilbraham, MA then in Palmer, MA. He loved being a chiropractor. When the need arose, he was one of the few doctors who would visit patients in their homes to treat them.

Peter's family meant the most to him and he loved them dearly. Some treasured memories were the summer vacations on Martha's Vineyard, the holidays and the birth of his three grandsons.

He also enjoyed music and playing the piano, and actually wrote personal songs, including the music and lyrics.

Last but not least, we must mention his passion for flyfishing, which was, by far, his favorite pastime. Peter has flyfished the best trout rivers in MA, CT, NY, VT, NM as well as Scotland and England. He could discuss flyfishing for

hours.

Peter is survived by his children Heather Boucher and Daniel Falkoff (Andrea) as well as his former spouse Virginia (Bowerman) Falkoff, who had become his caregiver. He also leaves behind his grandchildren, Andrew Boucher, Lorenzo Falkoff and Harrison Falkoff, all of whom he loved dearly.

Funeral Notice:

There will be an intimate memorial celebration for the immediate family.

“ I remember when I met Peter. Jeff and I had this little house and Peter came to visit with Micka. The dog was almost the length of our living room. Poor thing couldn't figure out how to lie down. We couldn't stop laughing as he turned this way and that trying to avoid furniture. Peter was directing him to little avail. Micka finally figured it out!

“ I am so sad to hear about the passing of Dr. Falkoff. He was a fantastic chiropractor, but also a wonderful man. I enjoyed my visits with him, as it was more than doctor-patient, he made you feel like family. Sending my best to his children and Ginny. Sincerely,
