“ Linda, my condolences to you and your family on the loss of Peter. He was a kind, fun loving guy. I always look when I see a scooter on the road, thinking it'd be Peter and I'd wave. RIP Peter.

“ Such sad news. Pete was a terrific family friend when we were growing up on Montgomery Ave. He would regularly stop by and visit and was always welcome. My Dad was especially fond of him. Heartfelt condolences to the family.

“ I was truly saddened this morning to read of the passing of my friend Peter.

Back in the day, I might be sitting at a crowded bar and he would suddenly appear after squeezing his way through, smiling as always. I would offer to get him his standard pineapple juice and his first question would always be "How is Karen?".

My wife and Peter graduated from PHS together and he had a huge crush on her. She loves to telling the story of how, at the graduation ceremony, she was surprised to find Peter sitting next to her notwithstanding the fact that he was supposed to be with the students whose names began with "G" not "M"!

I always found Peter to be a gentle, unassuming person yet forthright and certainly not shy.

Whenever I see a scooter coming down West St. in all sorts of weather I will think of you Peter.

Sincerely, John A. Barry
