“ There are no words to express the sadness we feel for the loss of Peter. Peter had such a huge magnetic vibrant presence about him. You knew when Peter entered a room. Family was number one, blood or non, if he considered you family you felt loved. He loved his Clairebear. Peter was hard working, loud, a jokester, loved to laugh and making others laugh, enjoyed golfing, catching a Red Sox game, traveling with Clairebear to Maui, a man that enjoyed life. Peter gave our father, Sean his last hair cut before his passing in 2009. Peter was loved by so many of us, he will be missed but never forgotten.

*Sending our sympathies and lots of Love

“ I remember the day that Peter proposed to Claire. Claire and I were school bus drivers at the time. We were parked at a grammar school waiting for the students to board our vans so we could bring them home. All of a sudden Peter drives up and gets out of his car. He goes over to Claire and asked her to marry him. She said " YES". What a day for the two of them! He was a very nice man. I'm so sorry for your loss and sorry for his family and friends who loved him. Sincerely, Maxine Tatro
