“ Remembering when Peter was born and growing up at the same time as my Harris nephews Charlie and Dave and how Jack and Mary so pleased to have a son as well as two beautiful daughters. Jack could recite how we were related into the 1st cousin once removed etc. Our sister Marilyn passed at the same age as Peter quite a shock but God must have needed her. Many visits to their homes with so much love starting with Uncle Pete Cahill's house on Dalton Ave. Love to the family. Due to the c. virus not sure that I can be there but in spirit only. Prayers, Marge Flaro Nixon

“ Kyley, Shane and Mac,  
The compassion and love you showered on your Dad was a blessing for me to witness. His love for all of you was deep and unending. He is sitting on a cloud in Heaven, holding his golf club, looking down on his three beautiful children, with a huge Smile on his face knowing that his children will continue to do great things in life, and most importantly be happy and stay close as a family. It has been a privilege and an honor to be part of Peter's journey. His spirit and our love for him will live on forever! Until we meet again, my little brother, Rest In Peace.

Love forever,

Patty

“ Peter was very much as described: a charismatic, fun loving man who exuded positive energy. The last year or so has been an incredible challenge for this family , who cared for him with love and respect . He was so fortunate to have you with him to raise his spirits and provide love and encouragement through all the challenges and frustrations of his illness. Peter was blessed and I am certain he was great full to all who stood by him on his final journey. He WILL Rest In Peace and be sorely missed by all who loved him and were warmed by his radiance. My heart felt condolences to all who loved him.
