“ To the Kirsimagi family, my sincere condolences on your loss. I had the pleasure of knowing Phil as a fellow cytotechnologist at AMC. He was a calming force on hectic days, always giving of himself. He will be sadly missed by many.

“ I think I've known Phil for around 25 years. We first met at St. James Church in Chatham, NY. I watched his beautiful family grow. Phil was a best friend. Our faith was the center of that friendship, and we recognized our weak humanity which allowed us to share just about everything without pretense. We didn't always agree but that didn't seem to matter. Knowing Phil well, I can tell you that he was a good man who loved and cared about his family and others especially their spiritual wellbeing. He was genteel and unassuming. We could talk on the phone for hours. I will miss him terribly, but I also know that I have another friend in a high place and will call on him regularly. Phil, pray for us as we pray for you. Miss you!
