“ I have had the great experience of knowing Jean for the last couple of years now. I was her "helper." We had a ritual the mornings I was with her, She would finally answer the door I'd look at her and say In the window again huh and she would say just making sure you had a place to park at which I'd say yeah not much to choose from and smile. She'd get this look and say that's right. The whole parking lot would be completely empty!! I so enjoyed our talks. She'd tell me about living in Hinsdale and how she and her sister couldn't wait to leave the town. I grew up and still live in Hinsdale! She was so sweet. I loved and will miss her alot! RIP you will be missed.
